

2nd CHANCE2nd Chance
Treatment Centers

2nd Chance is a full-service outpatient clinics for Opioid and Alcohol Use Disorders and co-occurring psychiatric disorders using the most up-to-date and evidence-based medical and psychiatric treatments including Medication-Assisted Treatment for Substance Use Disorders. They also provide treatment for general mental health conditions. Their goal is to help ensure effective and long-lasting recovery, with increased retention rates, improved outcomes and fewer chances of relapse.
