

## American Health Associates

American Health Associates, Inc is a clinical reference laboratory that was founded in October of 1990. Our corporate headquarters is in the Ft. Lauderdale area. As the largest provider of laboratory services to the long-term care market in the United States, we strive to develop unique services and products that are custom-designed with our customers in mind. As a family-owned company American Health is run with a respect for the values and vision of its founding family.
