

Gatik.AI

Gatik, the leader in autonomous middle mile logistics, delivers goods safely and efficiently using its fleet of light and medium duty trucks. The company focuses on short-haul, B2B logistics for Fortune 500 companies such as Walmart, Georgia-Pacific, Loblaw and Pitney Bowes, and in 2021 became the first company worldwide to operate fully driverless commercial deliveries on the middle mile. Founded in 2017 by veterans of the autonomous technology industry, the company has offices in Mountain View, California and Toronto, Ontario.
