PATREON

Patreon is a creator-founded membership platform that helps creators change the way their art is valued through a direct relationship with their fans. Thousands of video makers, podcasters, musicians, writers, game developers, and other creators are making a salary on Patreon. Through ongoing financial support, they are able to spend more time connecting their fan community and creating filling the internet beautiful things that millions of people enjoy. Our endgame? A new creative economy that gives more power to creators, inspires their fans, and builds healthier communities.
