Caravel + Partners

A BPM Technology Solutions Company

**RENTLY
(CONSUMER 2.0)**

Founded in 2011, Rently provides self-touring and enterprise smart-home platforms for both single-family and multi-family operators. From lockboxes and keyless locks to full smart-home integrations, the platforms offer convenient and cost-effective solutions to optimize and scale your business.

Rently works with more than 3000 operators, facilitating over 13 million self-tours and holds 8 patents on self-touring and access control by the USPTO.
