

Sword Health Inc

Sword Health's clinical-grade virtual therapy platform pairs expert physical therapists with FDA-listed wearable technology to deliver a personalized treatment plan that is more effective, easier and less expensive than traditional physical therapy. Sword Health believes in the power of people to recover at home, without resorting to imaging, surgeries or opioids. Since launching in 2015, Sword Health has worked with insurers, health systems, and employers in the U.S, Europe and Australia to make quality physical therapy more accessible to everyone.
