

SKEDULO HOLDINGS

Skedulo is the platform for intelligent mobile workforce management. We help organizations manage their mobile workforces to delight their customers and engage their employees. Skedulo is the new standard for deskless workforce productivity. The Skedulo platform helps enterprises intelligently manage, schedule, dispatch, and support deskless workers on the go, whether they are full-time, part-time, or contract employees. Skedulo offers enterprises and mid-market companies a mobile workforce management solution with robust integration capabilities, including native integrations to Salesforce.
