Customer **PROFILE**

OceanX

OceanX is a mission to explore the unseen ocean, map uncharted areas of the world, observe rare deep-sea creatures, pursue scientific and medical breakthroughs, and then bring all these wonders back to the wider world through cutting-edge media. This mission will take place aboard the most advanced science and media vessel ever built, OceanXplorer, building on the legacy of OceanX's current marine research vessel, the M/V Alucia.
