BPM Technology Solutions

Customer **PROFILE**

Revelxp

REVELxp is a revolutionary fan experience and hospitality company. Founded in 2020, REVELxp partners with premier sports and entertainment brands to reimagine game day and redefine non-game day with memory-making experiences that ignite fan passion, drive attendance, and build loyalty. REVELxp's flagship products include modernized, full-service fan tailgates, premium hospitality, and customized events on both game day and non-game day. The company also provides ticket sales and staffing, as well as specialized designs-builds and equipment outfitting for venues and events.
