BPM Technology Solutions

Customer **PROFILE**

AdaCore Technologies

AdaCore

Founded in 1994, AdaCore is the leading provider of commercial software solutions for Ada, a state-of-the-art programming language designed for large, long-lived applications where safety, security, and reliability are critical. With offices in Paris, New York and Boston, what started as a side project between a few NYU professors and their students has become the Aerospace and Defense industry's standard.
