

Products Industries

Caravel has worked in numerous product industries and helps drive purpose-driven solutions to each industry. To help ensure our customers get the best experience out of their solutions, we drive industry-specific expertise in our implementations, and this allows Caravel customers to see value from the day they go live on the system, which is tailored to their specific needs.

Our areas of expertise extend to:

**WAREHOUSE
OPERATIONS**

**INVENTORY
MANAGEMENT
AND ANALYSIS**

**DEMAND
PLANNING**

**WORK ORDER
PLANNING**

Implementation Experience

Caravel understands how critical the success of the implementation is to a prospect's experience on the system. To that end, we have dedicated product resources as part of our deployment teams with over 25 years of combined experience in manufacturing, wholesale distribution, and retail.

"I genuinely believe that the effort that Caravel Partners has invested into our company has made some of the largest single point positive impacts our company has ever seen. The tools that Caravel Partners are equipping us with are unparalleled in company history, which is awesome."

– Calvin Lyons, Director of Finance,
Jaxon Engineering

About Caravel

Caravel has served more than 750 clients over the past decade, providing a comprehensive range of services, including accounting, strategy, business processes and technology selection.
