

## Donor Portal

**Connecting the dots between Fundraising and Accounting is sometimes a struggle for Nonprofit Organizations. Caravel has closed the gap by releasing their Donor Portal IP – a product offering, built direct within the NetSuite environment.**

### Key Features:

- **Automated Acknowledgments:** Instantly send thank-you emails and donation confirmations, improving donor retention.
- **Campaign Tracking:** Monitor donor participation in fundraising campaigns and events directly from NetSuite.
- **Recurring Giving Management:** Easy setup and management of recurring donations with flexible options.
- **Secure Payment Integration:** Accept donations via credit card with full PCI compliance.
